Job Description for Job Title: Assistant Carpenter (Flyman) – AuRene Theater

GOAL

The Assistant Carpenter supports the Head Carpenter by providing excellent technical knowledge, supervising the union crew when necessary, guaranteeing a safe work place and providing excellent customer service to ensure a positive experience for all artists, clients and their staff in order to maintain the Broward Center for the Performing Arts' image as a premiere performing arts center.

OBJECTIVES

- To provide responsive and timely support and technical assistance to all internal and external customers, including PACA Management, union workers, BCPA employees, and clients.
- To use all of the resources available to provide high quality technical services in the most cost effective manner.
- To keep the Head Carpenter informed regarding current issues and opportunities facing the union stage crew, and all other relevant daily operational issues, especially issues that would have an impact on safety, cost or time.
- To immediately notify the Head Carpenter and the Production Department of any hazardous activity pertaining to the stage or stage crew.
- To maintain ongoing communication with PACA Management, the Director of Production, the Production Department, and the Head Carpenter.
- To provide customers, both internal and external, with the highest quality technical knowledge and service in order to ensure a smooth execution of events.
- To develop and maintain a positive, productive relationship with PACA Management to ensure that proper implementation of the Collective Bargaining Agreement is maintained in order to preserve a positive and effective working environment.
- To ensure a safe work place.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Will utilize professional interactions and effective communication to develop positive productive relationships with all artists, clients and their staffs.
- Will maintain ongoing communication with the Head Carpenter, the Director of Production and the Production Department.
- When assigned as Head Carpenter, will utilize effective and efficient management strategies with the union crew.
- Will communicate crew issues with the Head Carpenter and PACA Management to ensure that all issues and opportunities are addressed in a timely manner.

- When assigned as Head Carpenter, will efficiently manage the Carpentry Department by making decisions regarding technical emergencies, safety, financial interest of the client, financial interest of the Broward Center for the Performing Arts, and all provisions of the Collective Bargaining Agreement.
- Will inform the Director of Production of any issues or opportunities related to maintaining a safe and functional working environment, and will provide documentation of these issues based on cost, necessity, and timeliness.
- When assigned as Head Carpenter, will interpret the union contract in consultation with the Director of Production.
- When assigned as Head Carpenter, will execute and supervise the daily tasks and activities of the Carpentry Department and the union crew, including crew training and delegating responsibilities to the crew.
- Will be accountable for ensuring that the union crew works with professionalism, while ensuring safety.
- Will be responsible for maintaining knowledge of the most current safety procedures for work areas and equipment.
- Will complete additional responsibilities as assigned.
