

Live Nation is going green with electronic pay statements to help make a positive footprint on our environment and eliminate costly paper statements!

Effective with the first pay date in September 2015, paper pay statements for employees enrolled in direct deposit will no longer be mailed to your home or delivered to your work location. Viewing and printing your electronic pay statement is easy and secure and can be accessed anytime from your mobile phone, tablet or computer. And, your W-2 can be accessed and printed from the same website. To enroll:

- Go to www.ipay.adp.com
- Previous users log in with user id using 'First Initial Last Name@Livenation' for login (Example: JSmith@Livenation)
- For new users click on *Register Now*
- Complete Steps 1-7. Registration code is LIVENATION-1234abcd (Be sure to select "Update Notifications" and add a current email address if you wish to receive an email each time a new pay statement is posted as a reminder to view or print.)

After enrolling, direct deposit statements are available online and can be printed at your convenience from home or at work. Please contact your Supervisor for assistance if you need to print a statement and do not have access to a printer. Download the ADP Mobile App from the App Store, Google Play or Amazon Store to view or print pay statements and W-2's from your electronic device. If you wish to continue receiving a paper pay statement via mail every pay period, please complete the Pay Statement Request form on AllAccess and email to PayrollCorporate-LiveNation@LiveNation.com. Please feel free to contact the Live Nation Payroll Department at 866-540-0115 or email 'PayrollCorporate-LiveNation@LiveNation.com' with any questions or concerns you may have.

If you are not currently enrolled in Direct Deposit, please sign up. Direct Deposit eliminates extra trips to the bank, check cashing fees and mail time to receive your check. Click on the link below to begin the easy enrollment process.

<https://lneallaccess.sharepoint.com/resources/Forms/LNE%20US/Direct%20Deposit%20Form.pdf>

or request a form from your Supervisor. The Live Nation Human Resources team will be following up to assist employees with Direct Deposit enrollment.

Thank you for your support of this initiative!
